Discovery Counseling Center Consent for Treatment (FAMILY)

Patients Names: ____ **Date:** ______________________

Therapist's Name: ____ # _________________________

☐ Fully Licensed Therapist ☐ Registered Associate Therapist* ☐ Intern/Trainee Therapist*

*Works under the supervision of Discovery Counseling Center's certified licensed Supervisors with whom cases are discussed.

CONFIDENTIALITY STATEMENT:

The therapist-client relationship and any information shared in therapy is confidential. We understand the therapist holds a "no-secrets" policy meaning the therapist is permitted to use information obtained from individual sessions when working with other family members. We understand outside of therapy, information will only be released with my written permission (which may be revoked in writing). According to California law, therapists are mandated reporters and must breach confidentiality under the following circumstances when there is a reasonable suspicion of:

A. An incident of **child abuse**, past or present
B. An incident of **elder abuse or dependent adult abuse**
C. Serious **threat of harm to oneself or to others** or to property
D. Certain other legal situations, such as a **court order** or a court-ordered evaluation

FINANCIAL AGREEMENT**:** ☐ Fee set by Insurance Company ☐ Private Pay Fee $__________

We understand that while Discovery Counseling Center will submit claims to help me receive the maximum benefits allowed through my insurance we ultimately remain responsible for payment of all therapeutic services. We accept this responsibility and agree to the following:

1. **We are responsible for paying all co-payments or private pay fees at the time of service** via cash, check, or credit card (We understand there will be a $50 co-pay for sessions prior to confirmation of insurance coverage for which any resulting credit will be reimbursed and any resulting debt will be my responsibility).
2. **Appointments must be cancelled at least 24 hours in advance to avoid incurring a charge** and in order to keep my scheduled appointment slot.
3. Fee for late cancellations is equal to half the charge for a full session. Since insurance will not cover missed appointments, the missed appointment charge includes half of what insurance normally pays for session.
4. Due to the number of individuals seeking therapy, after 3 late cancellations or no-shows, Discovery therapists reserve the right to move my appointment to another slot or offer to transfer me to another counseling agency.
5. We are responsible for any returned check fees ($25) or any charges incurred if legal or collections services are required for delinquent accounts.
6. We agree to provide information about changes to my insurance coverage as soon as possible. If coverage terminates for any reason, **we understand we are responsible for all fees not covered by my insurance**.
7. We understand that periodically, therapist fee rates are subject to change. In this event, we will be given a month's notice of any fee increases.
8. Administrative staff may handle office and billing transactions as needed in order for insurance claims to be submitted.

ACKNOWLEDGEMENT OF RECEIPT OF NOTICE OF PRIVACY PRACTICES**:**

_____ We acknowledge being offered the *HIPAA Notice of Privacy Practices*, which provides information about how my protected health information may be used or disclosed. The DCC *HIPAA Notice of Privacy Practices* is subject to change. If the notice is changed, you may obtain a copy of the revised notice by contacting 408-778-5120 or from the DCC web site.

THERAPUTIC RISKS, BENEFITS, AND EMERGENCIES

All services are performed in the DCC offices and are conducted as 45-minute individual, couple, or family sessions unless otherwise stated.

We understand there is a possibility that stated goals may change during the therapeutic process and we understand that this agreement does not guarantee that we will attain desired outcomes. Our participation in therapy is voluntary and we may withdraw at any time.

In case of urgent situations between sessions, we have been told to call you and specify that it is urgent and you will call us back as soon as possible. We have also been told that if it is an emergency to call 9-1-1 or the Emergency Psychiatric Services at 408-885-6100 or go to the nearest hospital emergency room.

We have read the above information and understand that we are liable for all costs of treatment. We give consent to receive psychotherapy treatment.
